Never been to a levee before?

They're free, and open to all. Just show up at the appointed time and get in line. Sometimes there's a coat check and sometimes not. Sometimes you might be asked for a card with your name on it; if you don't have a card there's often a place for you to write your name on one; the card is simply to allow the people in the receiving line to address you by name. In the receiving line you'll shake some hands and say "Happy New Year!". Then there will be a reception where you'll be offered a drink and something to eat. And then you'll be on your way to the next levee!

Consider finding a family that's never been to the levees and taking them with you!

Please don't drink and drive.
