

In these pages you will find reproduced the entire contents of the CatherineHennessey.com weblog, written over three years from 2000 to 2003.

While the archive of the weblog continues to live online, this is not an easy medium for contemplative reading and, as Catherine would tell you if you asked, it's liable to just up and disappear one day, electrons

and computers being what they are.

So, if nothing else, in committing Catherine's words to paper they have a longer-lasting home.

The notion of a "blog" was very new in 2000: Catherine was one of the first "bloggers," on PEI or anywhere. So what you read here, on top of everything else, is part of the shaping of a new medium.

These words provide much insight into Catherine and the Charlotte Town she loves so dearly.
